

Summer Reading Response Form: Fiction (9th - 12th Grade)

Students who have completed their summer reading need to fill in this form if the book they have read is a fiction book. This form must be filled out (typed not handwritten) and printed for submission on the first day of class.

Student name:

Book title:

In this story, what had the greatest effect on you? Describe the effect then explain why it affected you.

Describe this story's plot, and tell what the inciting incident was? (minimum 20 words)

What did you like most about this story? Why did you like this? Please do not use the same things as you used in the first question. If then answer is the same, then tell the second most enjoyable aspect of the book. (30 word min.)

Why do you think this book is considered a great book? (minimum 40 words)

How many pages are in this book?

How many of these pages did you read?

Please print this form and then sign it with a blue pen pledging that the above work represents your own word, ideas, and organization. By signing you are also affirming that you have read the pages indicated above.
