Classical Christian Education

Classical Christian Education is a time-honored approach to learning that considers the natural development of a child. This centuries-old method of education known as the Trivium, divides teaching methods into three major stages: Grammar (K-5), Logic (6-8) and Rhetoric (9-12). During the Grammar stage, students absorb facts and find memorization fun. Students in the Logic stage take the facts that they have absorbed and begin to ask the “why” behind them. The Rhetoric stage then challenges this abstract thinker to write and speak clearly and convincingly.

The curriculum that Hickory Christian Academy utilizes is unique even among Christian schools. While others use almost exclusively Christian publishers, HCA seeks out the finest textbooks and relies on our teachers to impart a Christian worldview into the content. This approach demonstrates respect for the study of liberal arts and the great books while emphasizing a relational approach to a living God.

With its excellent teachers, quality curriculum, and Trivium methodology, HCA gives all students an academically rigorous, comprehensive and relevant education – a truly Classical Christian education.

Hickory Christian Academy is not an elite school but rather one which takes ordinary students and provides them with an extraordinary education.

Honors and AP Courses

HCA awards honors to 13 classes and offers three AP courses including English Language, English Literature and Calculus. Students with the most demanding schedule will have eight HCA honors courses and three AP courses.

Dual Enrollment

Eligible juniors and seniors can take college courses through Career and College Promise (dual enrollment) with Catawba Valley Community College. HCA offers both a block and an elective period for students to take advantage of these online courses. Note: Courses taken outside of the school day will be noted on the transcript but not included in student's GPA.
